## PERSONAL INFORMATION

<b>First name / surname:</b>	Hossain Mimón.
<b>Current address:</b>	C/ Corts 15, 1º A, 07510, Sineu. Balearic Islands, Spain.
<b>Telephone - Mobile:</b>	(+34) 871 55 17 07 - (+34) 617 22 56 62.
<b>E-mail:</b>	hmhiti@gmail.com - info@forensictech.es
<b>Nationality:</b>	Spanish.
<b>Date of birth:</b>	5 April 1978.
<b>Gender:</b>	Male.
<b>Membership number:</b>	39. Official College of Technical Engineers in Computer Science and Degree of the Balearic Islands. (COETIIB).  20201023-A. Official College of Technical Engineers in Computer Science of Andalusia, (CPITIA).
<b>Website:</b>	<a href="https://www.forensictech.es">https://www.forensictech.es</a>

## PROFESSIONAL PROFILE AND OBJECTIVE

Technical Engineer in Computer Management and Graduated Degree in Information Systems Engineering, with more than 13 years of experience in software development under J2EE architectures.

I consider myself a rigorous and committed professional, used to working in competitive environments, with the ability to solve problems, used to defending ideas and working for objectives, with the ability to speak in public and lead a team of people, with a good level of personal interrelation and self-management of time, always trying to be at the forefront of advances and developments in the sector.

Thanks to my attitude and knowledge, I have always managed to provide a solution to all the tasks that have been entrusted to me, either by proposing a Java solution or by implementing in the project those technologies that best suited the solution of the problem posed.

In my free time, I manage my own professional office dedicated to Computer Forensics and Computer Judicial Expertise.

I am currently looking for a professional change oriented to work in Cloud environments and architectures based on microservices.

## WORK EXPERIENCE

<b>• Dates:</b>	Currently, since September 2020.
<b>• Employer information:</b>	<b>FORENSICTECH.</b> ( <a href="https://www.forensictech.es">https://www.forensictech.es</a> ).
<b>• Type of business or sector:</b>	Legal services related to computer engineering.
<b>• Occupation or position held:</b>	<b>CEO of FORENSICTECH and Computer Judicial Expert.</b>
<b>• Main responsibilities:</b>	Director of <b>FORENSICTECH</b> professional firm specialized in the elaboration of

	computer expert opinions for all jurisdictions.
--	---

• <b>Dates:</b>	Currently, since January 2020.
• <b>Employer information:</b>	<b>Serviceware S.L.</b> ( <a href="https://serviceware.se">https://serviceware.se</a> ). Street Gremi Sabaters 21, 2º A21. Polígono Son Castelló. 07009, Palma de Mallorca.
• <b>Type of business or sector:</b>	Software solutions and consultancy for the digitalization and automation of service processes.
• <b>Occupation or position held:</b>	<b>Senior Software Engineer (Backend) and DevOps.</b>
• <b>Main responsibilities:</b>	I work as part of the Java development team, for the creation of the new SPA (Service Portfolio Administration) application, in charge of managing a portfolio of services.  The main activities and responsibilities include: <ul style="list-style-type: none"> <li>• Creation of continuous integration pipelines for the automatic compilation, deployment and testing of the application.</li> <li>• Migration of all artefacts from Artifactory to Nexus repository.</li> <li>• Analysis, design and implementation of a synchronization module in charge of data synchronization between SPA and Financial applications.</li> <li>• Analysis, design and implementation of a gateway to manage security aspects related to http requests between modules.</li> <li>• Analysis, design and implementation of a functionality for the synchronization of service data between SPA and Financial applications.</li> <li>• Analysis, design and implementation of a functionality for the synchronization of financial information between SPA and Financial applications.</li> <li>• Analysis, design and implementation of a functionality for the synchronization of service validations between SPA and Financial applications.</li> <li>• In general, corrective and evolutionary maintenance and test implementation.</li> <li>• The entire service has been provided following the Scrum methodology with the work load spread among user stories and tracked by using Team Foundation Server.</li> </ul>
• <b>Tools:</b>	WildFly, IntelliJ IDEA, SQL Server Management Studio, VMware, Virtual box, Team Foundation Server, Microsoft Teams, Azure DevOps, Outlook, Virtual Machine Manager, Keycloak, Maven, Git, JMeter and SoapUI.
• <b>Technologies:</b>	Microsoft SQL Server, PowerShell, Java 11, Spring, API REST, Groovy, EJB, JSON, Gradle, YAML, TestNG, Zuul and Spock.

• <b>Dates:</b>	From February 2018 to December 2019.
• <b>Employer information:</b>	<b>Serviceware S.L.</b> ( <a href="https://serviceware.se">https://serviceware.se</a> ). Street Gremi Sabaters 21, 2º A21. Polígono Son Castelló. 07009, Palma de Mallorca.
• <b>Type of business or sector:</b>	Software solutions and consultancy for the digitalization and automation of

	service processes.
• <b>Occupation or position held:</b>	<b>Senior Software Engineer (Backend).</b>
• <b>Main responsibilities:</b>	<p>I worked as part of the Java software development team, analyzing, designing and developing solutions for the Financial application dedicated to the financial management of shared services.</p> <p>The main activities and responsibilities include:</p> <ul style="list-style-type: none"> <li>• Participation in the development of an interface generator that allows users to design their own pages with the functionality they need.</li> <li>• Analysis, design and implementation of a tool to migrate the old interfaces to be used with the generator.</li> <li>• Analysis, design and implementation of an authorization object to allow the user to determine which fields will be read-only in the interfaces he designs.</li> <li>• Analysis, design and implementation of a script for the migration of all the Float type columns of all the tables of a database to Decimal type, in order to have a precision of sixteen decimal places, as required by our customers.</li> <li>• Analysis, design and implementation of an algorithm capable of anonymizing a database in order to adapt to the new General Data Protection Regulation.</li> <li>• Analysis, design and implementation of a caching system for report generation.</li> <li>• Analysis, design and implementation of the new reporting flow for the ag-grid framework.</li> <li>• In general, corrective and evolutionary maintenance and test implementation.</li> <li>• The entire service has been provided following the Scrum methodology with the work load spread among user stories and tracked by using Team Foundation Server.</li> </ul>
• <b>Tools:</b>	Eclipse, IntelliJ IDEA, DataGrip, Toad, SQL Server Management Studio, Team Foundation Server, Microsoft Teams, Skype for Business, Git, Maven, Outlook, Virtual Machine Manager, Wildfly, JMeter, Postman and SoapUI.
• <b>Technologies:</b>	REST API, Java (7, 8), EJB, Oracle SQL, Microsoft SQL Server, JSON, XML, XSLT, Ehcache, Groovy and TestNG.

• <b>Dates:</b>	From May 2015 to January 2018.
• <b>Employer information:</b>	<b>Axis Data S.L.U.</b> ( <a href="https://www.axisdata.net">https://www.axisdata.net</a> ). Street Fluviá 1, 3º izquierda. Polígono Son Fuster. 07009, Palma de Mallorca.
• <b>Type of business or sector:</b>	Development and implementation of data processing systems for the Tourism Sector.
• <b>Occupation or position held:</b>	<b>Senior Software Engineer (Backend).</b>
• <b>Main responsibilities:</b>	<p>I worked as part of the Java software development team, analysing, designing and developing solutions for the TK2 application dedicated to the management of bookings hotel and transfers.</p> <p>The main activities and responsibilities include:</p> <ul style="list-style-type: none"> <li>• Analysis, design and implementation of integrations of bookings hotel</li> </ul>

	<p>and transfers.</p> <ul style="list-style-type: none"> <li>• Analysis, design and implementation of a tool for the massive import of bookings hotel and transfers.</li> <li>• Analysis, design and implementation of a tool for the massive download of flight information from the OAG platform (<a href="https://www.oag.com">https://www.oag.com</a>).</li> <li>• In general, corrective and evolutionary maintenance and test implementation.</li> <li>• The entire service has been provided following the Scrum methodology with the work load spread among user stories and tracked by using Team Foundation Server.</li> </ul>
• <b>Tools:</b>	Eclipse, XMLSpy, Team Foundation Server, Git, Toad, Maven, Skype for Business, Outlook, SoapUI and JMeter.
• <b>Technologies:</b>	Java 6, XML, JSON, XSLT, XPath, XSL-FO, Oracle SQL, Oracle PL/SQL, Hibernate, JPA, XML/SOAP, XML/OTA and JBoss ESB.

• <b>Dates:</b>	From March 2012 to April 2015.
• <b>Employer information:</b>	<b>Axis Data S.L.U.</b> ( <a href="https://www.axisdata.net">https://www.axisdata.net</a> ). Street Fluvia 1, 3º izquierda. Polígono Son Fuster. 07009, Palma de Mallorca.
• <b>Type of business or sector:</b>	Development and implementation of data processing systems for the Tourism Sector.
• <b>Occupation or position held:</b>	<b>Senior Software Engineer (Backend).</b>
• <b>Main responsibilities:</b>	<p>I worked as part of the maintenance team as a Java developer supporting various internal processes.</p> <p>The main activities and responsibilities include:</p> <ul style="list-style-type: none"> <li>• Monitor applications in test and production environments to ensure uninterrupted service.</li> <li>• Identification, analysis and resolution of bugs in test and production environments.</li> <li>• Monitoring: <ul style="list-style-type: none"> <li>○ Loading of production servers.</li> <li>○ Processes for notifying business information to customers.</li> <li>○ B2B response times.</li> <li>○ Management of system alerts.</li> <li>○ Publication of contracts and stop sales to the pricing engine.</li> <li>○ Sending of accounting information.</li> </ul> </li> <li>• Business processes: <ul style="list-style-type: none"> <li>○ Massive assignment of contracts to customers.</li> <li>○ Import of integration contracts with suppliers.</li> <li>○ Analysis and resolution of unfinished bookings in the system.</li> </ul> </li> <li>• Application versioning management.</li> <li>• Coordination of deployments in test and production environments.</li> <li>• Second level of technical support to users.</li> <li>• In general, corrective and evolutionary maintenance and test implementation.</li> <li>• The entire service has been provided following the Scrum methodology with the work load spread among user stories and tracked by using Team Foundation Server.</li> </ul>

• <b>Tools:</b>	Eclipse, Mantis, Team Foundation Server, ServiceDesk, CVS, Git, Toad, Outlook, Maven, SoapUI, Fitnesse, JMeter and Jenkins.
• <b>Technologies:</b>	Java 6, XSLT, XPath, XSL-FO, Oracle SQL, Oracle PL/SQL, Hibernate, JPA, XML/SOAP, XML/OTA and JBoss ESB.

• <b>Dates:</b>	From December 2010 to February 2012.
• <b>Employer information:</b>	<b>DOME Consulting S.L.</b> ( <a href="https://www.dome-consulting.com">https://www.dome-consulting.com</a> ). Palma-Valldemosa Road, km. 7.4. Parc Bit, Building U, Local 14. 07121, Palma de Mallorca.
• <b>Type of business or sector:</b>	Development and implementation of data processing systems for the Tourism Sector.
• <b>Occupation or position held:</b>	<b>Senior Software Engineer (Backend).</b>
• <b>Main responsibilities:</b>	I worked as part of the Java software development team, analysing, designing and developing solutions for several web applications for some customers, dedicated to the management of bookings hotel, transfers and flights.  The main activities and responsibilities include: <ul style="list-style-type: none"> <li>• Corrective and evolutive maintenance for the following web applications: <ul style="list-style-type: none"> <li>○ <b>Viajes Tu Billete S.L.</b> (<a href="https://www.tubillete.com">https://www.tubillete.com</a>).</li> <li>○ <b>Viajes Soltour S.A.</b> (<a href="https://www.soltour.es">https://www.soltour.es</a>).</li> <li>○ <b>Viajes 2000 S.A.</b> (<a href="https://www.viajes2000.com">https://www.viajes2000.com</a>).</li> </ul> </li> <li>• Analysis, design, development and documentation of the new website <a href="http://www.solytravel.com">www.solytravel.com</a> for the customer <b>Hoteles Globales S.L.</b></li> </ul>
• <b>Tools:</b>	Jira, IntelliJ IDEA, Eclipse, SoapUI, Tomcat and JBoss.
• <b>Technologies:</b>	Oracle SQL, Java 5, JavaScript, JSP, Servlet, Ajax, JSON, XML, XSL, XML/SOAP, HTML, JSF, Ehcache and Liferay.
• <b>Documents:</b>	<a href="#">See letter of recommendation.</a>

• <b>Dates:</b>	From March 2009 to November 2010.
• <b>Employer information:</b>	<b>Brújula Information Technologies S.A.</b> ( <a href="https://www.brujula.es">https://www.brujula.es</a> ). Palma-Valldemosa Road, km. 7.4. Parc Bit, Building U. 07121, Palma de Mallorca.
• <b>Type of business or sector:</b>	Development and implementation of data processing systems for the Tourism Sector.
• <b>Occupation or position held:</b>	<b>Junior Software Engineer (Full Stack).</b>
• <b>Main responsibilities:</b>	I worked as part of the Java software development team, analysing, designing and developing solutions for various web applications for the company <b>MundoSocial</b> , dedicated to the management of bookings hotel and transfers for the elderly ( <b>Imsero</b> ).  The main activities and responsibilities include corrective and evolutionary maintenance for the following web applications: <ul style="list-style-type: none"> <li>○ GMS - application for internal management.</li> <li>○ <a href="https://www.mundosenior.es">https://www.mundosenior.es</a></li> <li>○ <a href="https://www.mundored.es">https://www.mundored.es</a></li> </ul>
• <b>Tools:</b>	OC4J, Eclipse, JDeveloper, CVS, SVN, Toad and Oracle SQL developer.
• <b>Technologies:</b>	Oracle SQL, Oracle PLSQL, Java 4 and 5, Oracle Portal, Hibernate, JPA,

	JavaScript, JSP, Servlet, Ajax, JSON, XML, EJB, Struts and CSS.
• Documents:	See letter of recommendation.

• Dates:	From October 2008 to February 2009.
• Employer information:	<b>TeraSoft Consultants S.L.</b> Street Santo Cristo 15. 28250 Torreledones, Madrid.
• Type of business or sector:	Technology Consultancy.
• Occupation or position held:	<b>Junior Software Engineer (Full Stack).</b>
• Main responsibilities:	I worked as part of the Java software development team, analysing, designing and developing solutions for the new administrative and booking application of the company <b>Globalia Sistemas y Comunicaciones S.L.U.</b> ( <a href="https://www.globalia.com">https://www.globalia.com</a> ).  The main activities and responsibilities include corrective and evolutionary maintenance for the Licómedes web application.
• Tools:	Eclipse, Tomcat and Toad.
• Technologies:	Oracle SQL, iBATIS, Java 1.4, JavaScript, JSP, Servlet, Struts 2, Spring, Ajax, JSON, HTML, SVN, Tiles and Jasper Reports.
• Documents:	See letter of recommendation.

• Dates:	From February to September 2008.
• Employer information:	<b>Innova Desarrollos Informáticos S.L.</b> Palma-Valldemosa Road, km. 7.4. Parc Bit, Building U. 07121, Palma de Mallorca.
• Type of business or sector:	Technology Consultancy.
• Occupation or position held:	<b>Junior Software Engineer (Full Stack).</b>
• Main responsibilities:	I worked as part of the Java software development team, analysing, designing and developing solutions for several web applications of the company <b>Globalia Sistemas y Comunicaciones S.L.U.</b> dedicated to the management of bookings and invoicing.  The main activities and responsibilities include corrective and evolutionary maintenance for the following Halcón viajes web applications: <ul style="list-style-type: none"> <li>○ AgentApp (Back office).</li> <li>○ Roxaweb (Corporate billing system).</li> </ul>
• Tools:	Eclipse, NetBeans, Tomcat and Toad.
• Technologies:	HTML, JavaScript, JSP, Java 1.4, Oracle SQL, Oracle PL/SQL, XML and XSL.
• Documents:	See letter of recommendation.

• Dates:	From December 2007 to January 2008.
• Employer information:	<b>Innova Desarrollos Informáticos S.L.</b> Palma-Valldemosa Road, km. 7.4. Parc Bit, Building U. 07121, Palma de Mallorca.
• Type of business or sector:	Technology Consultancy.
• Occupation or position held:	<b>Scholarship holder.</b>
- Main responsibilities:	I worked as scholarship holder receiving training courses on J2EE architecture and doing internships on the corporate intranet.

• <b>Tools:</b>	Eclipse, Tomcat and Toad.
• <b>Technologies:</b>	HTML, JavaScript, JSP, Java 1.4, Oracle SQL, Oracle PL/SQL and PHP.

• <b>Dates:</b>	From December 2001 to April 2002.
• <b>Employer information:</b>	<b>AOL AVANT S.L.</b> Palma-Valldemosa Road, km. 7.4. Parc Bit, Centro Empresarial Son Español. 07121, Palma de Mallorca.
• <b>Type of business or sector:</b>	Leasing of communications and telecommunications services.
• <b>Occupation or position held:</b>	<b>Helpdesk Operator (while studying at university).</b>
• <b>Main responsibilities:</b>	I worked as part of the Call Center team providing technical support on the new Intel Dot Station terminal for internet browsing.
• <b>Tools:</b>	Outlook and Siebel.

• <b>Dates:</b>	From July 1999 to November 2007 (leave of absence from December 2001 to April 2002 on contract with the above-mentioned company A.O.L. Avant).
• <b>Employer information:</b>	<b>Telepizza S.A.</b> ( <a href="https://telepizza.es">https://telepizza.es</a> ). Avenue Isla Graciosa 7. Parque empresarial La Marina. San Sebastián de los Reyes. 28703, Madrid.
• <b>Type of business or sector:</b>	Elaboration of cooked products for sale at home.

## TRAININGS PROVIDED

• <b>Dates:</b>	Palma de Mallorca, July 2007.
-----------------	-------------------------------

• <b>Employer information:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ). Guillem Mesquida Building. Camí Roig s/n. Polígono Son Castelló - Sa Indioteria. 07009 Palma de Mallorca.
• <b>Type of business or sector:</b>	University.
• <b>Occupation or position held:</b>	<b>Rapporteur.</b>
• <b>Main responsibilities:</b>	I worked as a rapporteur providing a Microsoft Word and Outlook training course.
• <b>Documents:</b>	See diploma.

• <b>Dates:</b>	Palma de Mallorca, October and November 2005.
• <b>Employer information:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ). Guillem Mesquida Building. Camí Roig s/n. Polígono Son Castelló - Sa Indioteria. 07009 Palma de Mallorca.
• <b>Type of business or sector:</b>	University.
• <b>Occupation or position held:</b>	<b>Teacher.</b>
• <b>Main responsibilities:</b>	I worked as teacher in the training course on the U.N.E.D. virtual courses.
• <b>Documents:</b>	See certificate.

## EDUCATION AND TRAINING

• <b>Dates:</b>	2019 - 2020.
• <b>Training centre:</b>	<b>Catholic University of Murcia.</b> ( <a href="https://www.ucam.edu">https://www.ucam.edu</a> ).
• <b>Main subjects:</b>	The work of the computer expert. The value of digital evidence in legal proceedings. Forensic investigation of electronic files, metadata, operating systems (Windows, GNU/Linux and OSX), Smartphones, electronic messaging, information systems and networks. Forensic investigation in response to cybersecurity incidents. Economic-financial appraisals and valuations in the ICT field. Expert reports and appearance in court. Management and direction of a professional office. Final Master's Degree Project.
• <b>Title awarded:</b>	<b>Master Degree in Computer Forensics and Judicial Computer Forensics.</b> <b>Final Master's Thesis: rebuttal document of a police report in the context of criminal proceedings.</b>
• <b>Documents:</b>	See academic qualification – See Master's Thesis.

• <b>Dates:</b>	2017 - 2019.
• <b>Training centre:</b>	<b>Catholic University of Avila.</b> ( <a href="https://www.ucavila.es">https://www.ucavila.es</a> ).
• <b>Main subjects:</b>	Web Application Development.
• <b>Title awarded:</b>	<b>Graduated Degree in Information Systems Engineering.</b> <b>Final Degree Project: migration from a monolithic architecture to a microservices architecture.</b>
• <b>Documents:</b>	See academic qualification – See Final Degree Project.

• <b>Dates:</b>	2009.
• <b>Training centre:</b>	<b>Atrium Group Training Centre.</b> ( <a href="https://www.grupoatrium.com">https://www.grupoatrium.com</a> ).
• <b>Main subjects:</b>	Introduction to object oriented programming. Introduction to Java programming. JDBC. Programming of graphical interfaces and Applets. Java network programming (distributed applications and RMI-IIOP). Introduction to ORACLE (SQL Plus and PL/SQL). Design and creation of web pages. Web development (Servlets and JSP). Struts framework. Design patterns. JSF framework. Ajax. XML. XML with Java. JEE architecture. Web Services. Persistence mechanisms such as EJB, Hibernate and JPA.
• <b>Title awarded:</b>	<b>Certified Master Expert JAVA EE - STRUTS - XML - ORACLE.</b>
• <b>Documents:</b>	See certificate.

• <b>Dates:</b>	2007.
• <b>Training centre:</b>	<b>University of Murcia.</b> ( <a href="https://www.um.es">https://www.um.es</a> ).
• <b>Main subjects:</b>	Learning and development of students' personalities. Educational processes and contexts. Relationship between family, society and education. Complements for disciplinary training.
• <b>Title awarded:</b>	<b>Certificate of Pedagogical Aptitude (C.A.P).</b>
• <b>Documents:</b>	See academic qualification.

• <b>Dates:</b>	2000 – 2007.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned.es">https://www.uned.es</a> ).
• <b>Main subjects:</b>	I alternate these university studies with an active working life, taking numerous complementary training courses and finally obtaining the degree of Technical Engineer in Computer Management in the branch of Production Management. The general line of knowledge focused on requirements gathering, analysis. design and development of software applications.
• <b>Title awarded:</b>	<b>Technical Engineer in Computer Management.</b>
• <b>Documents:</b>	See academic qualification.

## CERTIFICATIONS

• <b>Date:</b>	June 2013.
• <b>Training centre:</b>	<b>XML Master.</b> ( <a href="http://www.xmlmaster.org">http://www.xmlmaster.org</a> ).
• <b>Main subjects:</b>	Introduction to XML. Creation of XML documents. DTD. XML schemas. XSLT and XPath. Namespace.
• <b>Title awarded:</b>	<b>XML Master Basic Certification [I10-001].</b> (4 weeks - Palma de Mallorca).
• <b>Documents:</b>	See certification.

## COMPLEMENTARY TRAINING

• <b>Date:</b>	June 2021.
• <b>Training centre:</b>	<b>Official College of Computer Engineers of the Balearic Islands.</b> ( <a href="https://coeiib.com">https://coeiib.com</a> ).

• <b>Main subjects:</b>	Legal framework for computer expertise. Duties and responsibilities of the computer expert. Drafting of computer expert reports. UNE 197001:2021 and UNE 197010:2015 standards for ICT expertise. Analysis of the header of an e-mail. Preservation of digital evidence. The chain of custody. The figures of DEFR and AF in forensic science. NIST incident response and evidence management methodologies. NIJ methodologies for first intervention and forensic analysis. The UNE-EN ISO/IEC 27037:2016 standard. Forensic techniques with Kali. Kali in forensic mode. Installation of Kali on Raspberry Pi. Disk cloning. Dump disk images. Disk dump formats. Conversion between forensic formats. Hash signatures. Recovery of deleted information by means of File Carving. Barbulescu Doctrine. Mechanics of intervention, with and without a notary. Advice to companies and drafting of reports in labour hearings. Practical cases.
• <b>Title awarded:</b>	Certificate of achievement of the course " <b>Computer Expertise</b> ". (50 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	May 2021.
• <b>Training centre:</b>	<b>Official College of Technical Computer Engineers of Andalusia.</b> ( <a href="https://www.cpitia.org">https://www.cpitia.org</a> ).
• <b>Main subjects:</b>	From the Right to Honour and Own Image: Casuistry. Mission of the computer expert in processes for Right to Honour and Own Image. Evidentiary value of messages from publications on Social Networks and admissibility. Procedure and tools for the appraisal of publications on Social Networks. Contrast and / or refutation of notarial act on social media publications: Procedure and tools. Practical case of computer expert report of publications on Facebook and YouTube. Practical case of refutation of notarial act on contents in Social Networks.
• <b>Title awarded:</b>	Certificate of attendance of the seminar " <b>Expert reports on social networks in processes for the right to honour and own image</b> ". (2 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	March 2021.
• <b>Training centre:</b>	<b>Official College of Technical Computer Engineers of Andalusia.</b> ( <a href="https://www.cpitia.org">https://www.cpitia.org</a> ).
• <b>Main subjects:</b>	WhatsApp in the judicial process. Evidentiary value of WhatsApp messages and admissibility. Mission of the computer expert when dealing with WhatsApp messages. Procedure and tools for tapping a WhatsApp database. Contrasting and/or refutation of the notarial act on WhatsApp expert reports: Procedure and tools. Case study of WhatsApp database tapping on iPhone. Case study of WhatsApp database tapping on Android. Case study on the refutation of a notarial report on WhatsApp.
• <b>Title awarded:</b>	Certificate of attendance of the seminar " <b>Expert reports on WhatsApp messages in legal proceedings</b> ". (2 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	October 2017.
• <b>Training centre:</b>	<b>Active Training.</b> ( <a href="https://www.activaformacio.com">https://www.activaformacio.com</a> ).

• <b>Main subjects:</b>	Value of time. Personal Productivity. Analysis of current situation. Priorities. Methodology. Tools.
• <b>Title awarded:</b>	Certificate of participation in the course “ <b>Personal Productivity and Time Management</b> ”. (8 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	January 2013.
• <b>Training centre:</b>	<b>CISCO Networking Academy.</b> ( <a href="https://www.cisco.com">https://www.cisco.com</a> ).
• <b>Main subjects:</b>	Introduction to WANs. PPP. Frame Relay. Network security. ACL. Remote worker services. IP addressing services. Network troubleshooting.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>CCNA4: WAN Access</b> ”. (8 weeks - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	November 2012.
• <b>Training centre:</b>	<b>CISCO Networking Academy.</b> ( <a href="https://www.cisco.com">https://www.cisco.com</a> ).
• <b>Main subjects:</b>	LAN design. Basic concepts and switch configuration. VLANs. VTP. STP. Routing between VLANs. Basic wireless concepts and configuration.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>CCNA3: Wireless LAN Switching and Connection</b> ”. (8 weeks - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	April 2012.
• <b>Training centre:</b>	<b>CISCO Networking Academy.</b> ( <a href="https://www.cisco.com">https://www.cisco.com</a> ).
• <b>Main subjects:</b>	Introduction to routing and packet forwarding. Static routing. Introduction to dynamic routing protocols. Distance vector routing protocols Routing information protocol VLSM and CIDR RIPv2. The routing table, a detailed study. EIGRP. Link-state routing protocols. OSPF.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>CCNA2: Routing Concepts and Protocols</b> ”. (8 weeks - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	April 2012.
• <b>Training centre:</b>	<b>CISCO Networking Academy.</b> ( <a href="https://www.cisco.com">https://www.cisco.com</a> ).
• <b>Main subjects:</b>	Life in a network centric world. Communication over the network. Application layer protocols and functionality. Transport layer of the OSI model. OSI network layer. IPv4 network addressing. Data link layer. Physical layer of the OSI model. Ethernet. Network planning and cabling. Configuration and verification of your network.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>CCNA1: Basic Aspects of Networking</b> ”. (8 weeks - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	April 2012.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).

• <b>Main subjects:</b>	Social challenges in the face of the new Regulation of the Immigration Law. The main social problems of immigrants in Spain. The access of foreigners to the Spanish labour market: mechanisms and specialities. New profiles of the right to family reunification in Spanish regulations.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Foreigners in the Spanish Labor Market and the New Regulation of the Immigration Law</b> ”. (10 hours - 0,5 ECTS credits - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	April 2012.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Psychology of introductory sport. Psychological variables involved in sports performance. Psychological intervention in football. Activation control in athletes: biofeedback techniques.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Psychology of Sport</b> ”. (10 hours - 0,5 ECTS credits - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	April 2012.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Cinex (Psychology x Sport). Science Fiction cinema. Propaganda cinema. Women with weapons to take.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Cinema and Behavioural Sciences</b> ”. (10 hours - 0,5 ECTS credits - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	April 2012.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Basic psychological aspects of violence and main explanatory models. Gender violence. Violence and the media. Violence and child abuse.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Psychology of Violence</b> ”. (10 hours - 0,5 ECTS credits - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	March 2012.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Communication models: basic elements. Pathological communication: games, rigidity and power. Positive communication: recognition, negotiation, conflict resolution. Communication in therapy and in the educational process.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Communication in Therapy and Education</b> ”. (10 hours - 0,5 ECTS credits - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	March 2012.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).

• <b>Main subjects:</b>	Basic security issues associated with “smart mobiles”. Cybercrime on the web. Internet and Fundamental Rights: the basics of internet rights. Smart mobile devices: different applications, different attacks.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Online Security and Fundamental Rights</b> ”. (10 hours - 0.5 ECTS credits - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	March 2011.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	National security scheme. Actions of the Judicial Police in computer crimes. Risk of personal projection on the Internet. Practical aspects of the implementation of the National Security Scheme.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Computer Security in Public Administrations, Cybercrime, National Security Scheme</b> ”. (20 hours - 1 free configuration credit - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	March 2010.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Anatomy of computer attacks: preventive measures and applicable techniques. Pros and cons in the application of electronic signatures: the case of the digital ID card. The information society and cybercrime: potential risks on the network. IT security policy in accordance with the ISO/IEC27001 standard.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Information Security and Computer Crimes in Public Administrations, practical aspects</b> ”. (20 hours - 1 free configuration credit - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	July 2009.
• <b>Training centre:</b>	<b>Confederation of Business Associations of the Balearic Islands.</b> ( <a href="https://www.caeb.es">https://www.caeb.es</a> ).
• <b>Main subjects:</b>	Configuration, architecture, mapping, HQL and criteria queries, transactions and cache.
• <b>Title awarded:</b>	Certificate of completion of the “ <b>Hibernate</b> ” course. (15 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	April 2008.
• <b>Training centre:</b>	<b>Official College of Technical Computer Engineers of the Balearic Islands.</b> ( <a href="http://www.coetiib.net">http://www.coetiib.net</a> ).
• <b>Main subjects:</b>	Concepts of computer forensics and general considerations of computer forensics. Judicial and extrajudicial expertise. Legislation applicable to expert opinions. Expert witnesses in legal proceedings. Presentation of a practical case of a trial with the intervention of an expert. Presentation and solution of practical cases of computer expertise.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Computer Expert Opinions</b> ”.

	(16 hours - Palma de Mallorca).
• Documents:	<a href="#">See certificate.</a>

• Date:	December 2007.
• Training centre:	<b>Innova Desarrollos Informáticos S.L.</b>
• Main subjects:	HTML, JavaScript, JSP. Servlet, Java, DAO, JDBC, JBOSS application server, Eclipse IDE.
• Title awarded:	Certificate of successful completion of the course " <b>Multilayer Programming in Java EE</b> ". (24 hours - Palma de Mallorca).
• Documents:	<a href="#">See certificate.</a>

• Date:	July 2007.
• Training centre:	<b>VNQ Aulas S.L.</b> ( <a href="https://www.vnqaulas.es">https://www.vnqaulas.es</a> ).
• Main subjects:	Fields and records. Flat and relational tables. Data types. Input masks. Creation and modification of tables. Relationships between tables. Importing Excel files into Access. Queries, forms and reports.
• Title awarded:	Diploma of passing and achievement of the course " <b>Microsoft Access</b> ". (75 hours - Palma de Mallorca).
• Documents:	<a href="#">See diploma</a> - <a href="#">See certificate of hours.</a>

• Date:	April 2007.
• Training centre:	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• Main subjects:	Objects. Messages. Classes. Abstraction. Inheritance. Methods. Polymorphism. Encapsulation. Advantages and Disadvantages of Object Oriented Programming. Identifiers. Keywords, literals. Operators. Separators. Comments. Data types. Pack primitive types. Type conversion Blocks and scope Expressions Flow control.
• Title awarded:	Diploma of successful completion of the course " <b>Introduction to Java Programming. Object Oriented Programming and Basic Concepts</b> ". (20 hours - Palma de Mallorca).
• Documents:	<a href="#">See diploma.</a>

• Date:	March 2007.
• Training centre:	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• Main subjects:	Influence of the Organic Law on Data Protection on IT security processes. Security engineering: design and development of applications without security vulnerabilities. The repetition of old mistakes in new technologies. Secure and simple design of applications and current status of the Organic Law on Data Protection.
• Title awarded:	Diploma of successful completion of the course " <b>VII Conference on Information Security: Design, History and Crimes</b> ". (10 hours - Palma de Mallorca).
• Documents:	<a href="#">See diploma.</a>

• Date:	December 2006.
• Training centre:	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• Main subjects:	General principles on the protection of personal data. Data protection in the

	Autonomous Community of the Balearic Islands. Local entities and data protection (census data). Publicity in administrative action and personal data protection. The contentious-administrative courts and the protection of data protection rights.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Data Protection and Public Administrations</b> ”. (30 hours - 1 free configuration credit - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	October 2006.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Facilitating conditions for the study. Study planning. Reading techniques. Analysis and synthesis techniques. Memorisation. Attention. Concentration.
• <b>Title awarded:</b>	Certificate of successful completion of the course “ <b>Self-regulated Study Techniques</b> ”. (20 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See certificate.</a>

• <b>Date:</b>	October 2006.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Toolbar. Display and reference utilities. Drawing of points, lines, poly lines, arcs, circles, ellipses and polygons, dimensioning. Basic operations with objects. Management of layers, line types and object properties. Editing and modification of entities.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Computer Aided Drawing (AutoCAD I)</b> ”. (10 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	October 2006.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Plotting on peripherals. Advanced operations on drawing objects: blocks, attributes, multiple lines. Drawing in 3D.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Computer Aided Drawing (AutoCAD II)</b> ”. (10 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	July 2006.
• <b>Training centre:</b>	<b>VNQ Aulas S.L.</b> ( <a href="https://www.vnqaulas.es">https://www.vnqaulas.es</a> ).
• <b>Main subjects:</b>	Network hardware and types of Internet connections. Configuration of an ADSL Internet connection with router and conventional network card in Windows XP. Modems, hubs, switches and routers. Local networks and local network services. Wireless networks. Installation of an FTP server. Remote control in a graphical environment. Port scanning. Remote power-up of computers on the local network. Network security. Installation of a surveillance camera on the local network. Remote control of a computer via the browser. Configuration of a wifi network. Installation and configuration of a LAN and SME network.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Network Technician</b> ”. (90 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma</a> - <a href="#">See certificate of hours.</a>

• <b>Date:</b>	June 2006.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Object-oriented programming. Object-oriented design. Java programming tools. Object-oriented programming languages.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Java Programming Language: basic concepts I</b> ”. (10 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	June 2006.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Error handling in Java: exception handling. Concurrency in Java: multiple threads of execution (Threads). Class reuse in Java: standard packages and libraries. Input/Output management in Java: standard, files and database connectivity.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>Java Programming Language: basic concepts II</b> ”. (10 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	May 2006.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	Biometric systems. Computer forensics. Security prevention. Information security management.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>VI Conference on Information Security, Prevention, Identification and Evidence</b> ”. (10 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma.</a>

• <b>Date:</b>	March 2006.
• <b>Training centre:</b>	<b>VNQ Aulas S.L.</b> ( <a href="https://www.vnqaulas.es">https://www.vnqaulas.es</a> ).
• <b>Main subjects:</b>	What is Linux and GPL License. Classes of distributions. Fédora Core distribution. Commands and graphical environment. Using Red Hat / Fedora administrative tools. Configuring the /etc/fstab file. Samba and NFS networks; The Linux Kernel.
• <b>Title awarded:</b>	Diploma of completion of the course “ <b>GNU/Linux Red Hat (Fedora Core Distribution)</b> ”. (90 hours - Palma de Mallorca).
• <b>Documents:</b>	<a href="#">See diploma</a> - <a href="#">See certificate of hours.</a>

• <b>Date:</b>	January 2006.
• <b>Training centre:</b>	<b>VNQ Aulas S.L.</b> ( <a href="https://www.vnqaulas.es">https://www.vnqaulas.es</a> ).
• <b>Main subjects:</b>	Enclosures and motherboards. Bus system and characteristics of the main types of buses. Microprocessors, memory, hard disks, floppy disks, CD-ROM and DVD-ROM drives, graphics and sound cards, monitors, keyboard, mouse and printers. PC assembly and disassembly. Basic and advanced BIOS configuration. Partitioning, hard disk formatting and operating system installation. Liquid cooling of a PC. PC diagnosis and repair.
• <b>Title awarded:</b>	Diploma of successful completion of the course “ <b>PC Assembly and Repair Technician</b> ”. (150 hours - Palma de Mallorca).

• <b>Documents:</b>	See diploma - See certificate of hours.
---------------------	---

• <b>Date:</b>	November 2005.
• <b>Training centre:</b>	<b>Telepizza S.A.</b> ( <a href="https://telepizza.es">https://telepizza.es</a> ).
• <b>Main subjects:</b>	Sales analysis. Budget calculation, daily estimates and average order. Sales analysis reports. Variable margin, break-even point, income, expenses and profits.
• <b>Title awarded:</b>	Certificate of successful completion of the course " <b>Financial Management</b> ". (24 hours - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	September 2005.
• <b>Training centre:</b>	<b>Telepizza S.A.</b> ( <a href="https://telepizza.es">https://telepizza.es</a> ).
• <b>Main subjects:</b>	Worker's Statute and Collective Bargaining Agreement. Professional training. Employment contracts. Characteristics of the employment contract. Types of contracts. Payroll interpretation. Suspension of the employment contract. Termination of the employment contract. Termination due to dismissal.
• <b>Title awarded:</b>	Certificate of successful completion of the course " <b>Personnel Management</b> ". (16 hours - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	June 2005.
• <b>Training centre:</b>	<b>Telepizza S.A.</b> ( <a href="https://telepizza.es">https://telepizza.es</a> ).
• <b>Main subjects:</b>	Demand analysis and forecasting. Purchasing management. Ordering methods. Warehousing and storage Warehouse costs Warehousing facilities Handling of goods. Management of inputs, internal movements and outputs. Verification and control.
• <b>Title awarded:</b>	Certificate of successful completion of the course " <b>Warehouse Management</b> ". (16 hours - Palma de Mallorca).
• <b>Documents:</b>	See certificate.

• <b>Date:</b>	April 2005.
• <b>Training centre:</b>	<b>National University of Distance Education.</b> ( <a href="https://www.uned-illesbalears.net">https://www.uned-illesbalears.net</a> ).
• <b>Main subjects:</b>	The role of computing and communications in national defence and human security. Attacks on web servers. Electronic identification systems. Electronic warfare and cyberwarfare (the role of electronics and communications in armed conflict).
• <b>Title awarded:</b>	Diploma of successful completion of the course " <b>V Conference on Information Security, Cyberwar and Cyberterrorism</b> ". (10 hours - Palma de Mallorca).
